Cockpit Open Studios is a chance to meet world-class craftspeople, surrounded by their tools, materials and work-in-progress. You get to take a glimpse behind the scenes and buy extraordinary craftsmanship direct from the hands that make it.

From homeware, to fashion, to works of art, the variety at Cockpit is huge. What ties it all together is exceptional skill, originality, and the remarkable people behind it all.

Cockpit is an award-winning social enterprise that has been nurturing talent since 1986. When you support Cockpit or buy direct from our makers, you're investing in the future of craft.

IN FOND MEMORY ANNA PERRING, 1956—2023

Anna Perring was a dear and much-loved member of the Cockpit community. Her passing earlier this year is a great loss to us all. The founder of Luna Lighting, Anna was a talented ceramicist, a creative and bright soul, a kind and generous friend. We remember our beloved colleague with great fondness.

Anna brought light and joy to everyone she met. Her warm smile always lit us up, just as her handmade porcelain lights illuminated thousands of homes.

Luna Lighting was hugely popular. Visitors loved Anna's work and her atmospheric studio. This year, thanks to Anna's family and studio assistants, this enchanting space is open once again. Visit studio E2E to see the magic of her work.

Anna's light shines on in all our hearts.
