

# BLOOMSBURY CRAFT GUIDE

## FASHION

### STEP 1

**Start in the East Wing at Studio E3**

JUSTIN OH - Justin Oh produces made-to-order clothing, eco-aware bags and accessories, made from natural fibres that are locally sourced. His work is all about timeless style, craft and utility, attention to detail, luxury finishings and the reinvention of tradition.

### STEP 2

**Exit to the right and continue along the hall to Studio E4, entrance on your left.**

KIMBERLEY COOKEY-GAM - Kimberley Cooley-Gam is a British-Nigerian artist specializing in textiles, handcrafting crochet pieces ranging from garments to sculptures and functional objects. Her creative practice is a culmination of healing through craft, entwined with nature, organic forms, spirituality and her Igbo heritage.

### STEP 3

**Exit to the left and continue along the hall to Studio E15, entrance on your right.**

TEN CLOUDY - Natasha Kerimova is a sustainable leather artist, designing and handmaking jewellery and fashion accessories under her Ten Cloudy brand. Her signature style combines layered textures and geometrical structures, converting leather offcuts into colourful abstract 3D objects resembling precious stones.

### STEP 4

**Exit to the left and head back towards where you started. When you reach the junction, turn right and follow the signs up the stairs to the Second Floor.**

### STEP 5

**When you reach the Second Floor, turn left down the corridor to Studio E2H, entrance on your right.**

SINE FIENNES - Sine Fiennes creates luxury cashmere items in her Bloomsbury studio, with a focus on made-to-order baby wear, homewares, clothing and accessories. Her trademark is simple beautiful designs and colours that are meant to last a lifetime. Her effortless and timeless cashmere is the epitome of quiet luxury.

### STEP 6

**Exit to the left and continue along to Studio E2P, entrance on your left.**

NETTE' LEATHER GOODS - Johnette Taylor takes inspiration from her life in both America and London to create personal, well-made leather goods and small accessories. With a focus on craftsmanship and design, her bags are functional, nostalgic and traditional but with a modern twist.

### STEP 7

**Exit to the left and continue straight ahead to Studio E2X, entrance on your right.**

JENNIE ADAMSON - Jennie Adamson is a bespoke tailor who creates handmade clothing for men and women using traditional techniques from Savile Row. Her work is characterised by excellent craftsmanship combined with a modern eye for silhouette, creating garments that transcend trends and are made to last.
