IN FOND MEMORY

NIZA HUANG

1981—2024

For over six years, Niza Huang was a much-loved member of the Cockpit community. Her passing this spring was a great loss to us all. The founder and creative mind behind Niza Huang Jewellery, Niza was a true artist and incredible talent. Her legacy lives on through her stunning work – timeless creations that continue to bring joy to those lucky enough to own a Niza Huang piece.

This year, thanks to Niza's family (husband Jak and son Max), friends and fellow studio holders, her studio will once again be open to visitors. Visit studio E2J to celebrate Niza's life and legacy and to see her wonderful work.
