

COCKPIT OPEN STUDIOS SUMMER 25

Bloomsbury
5–8 June

Deptford
13–15 June

WELCOME TO COCKPIT

It gives me great pleasure to welcome you to Cockpit for our Summer Open Studios 2025.

Cockpit makers are united by their extraordinary skill and imagination, transforming raw materials into dazzling creations. Across our studios in Bloomsbury and Deptford we are home to 165 artist-makers working across more than twenty craft disciplines, from contemporary ceramics and glass to exquisite jewellery and silversmithing; leatherworking, textiles and embroidery; to millinery, mosaics and globemaking.

At our Summer Open Studios, we hope you enjoy the behind-the-scenes access, the insights into materials and process and the opportunity to meet our makers in person. Their passion and commitment is inspiring, there is real joy to be found in their creativity — and your support is essential to their success.

To those of you who have visited before — welcome back and thank you for your continued support. And if you are visiting for the first time, we hope you leave inspired, and we look forward to accompanying you on your craft journey.

Warm regards,

Jonathan Burton
