SUMMER 2026

It gives me great pleasure to welcome you to Cockpit for our Summer Open Studios and to celebrate an important milestone with you – our 40th Anniversary.

Over 40 years Cockpit has become one of the of the UK’s most influential spaces for craft and making. We equip makers to succeed creatively and commercially, and our impact can be measured in the very large number of makers that have built successful careers and businesses over that time.

We are currently home to 176 artist-makers working across 25 craft disciplines – leading figures with international careers and blazing emerging talent. Their work brilliantly combines creativity with exceptional skill and ambition – and your support is essential to their success.

As well as discovering their latest work in their studios, while you are with us, please do also take moment to place a bid in our 40th Anniversary Auction, which features some exceptional pieces.

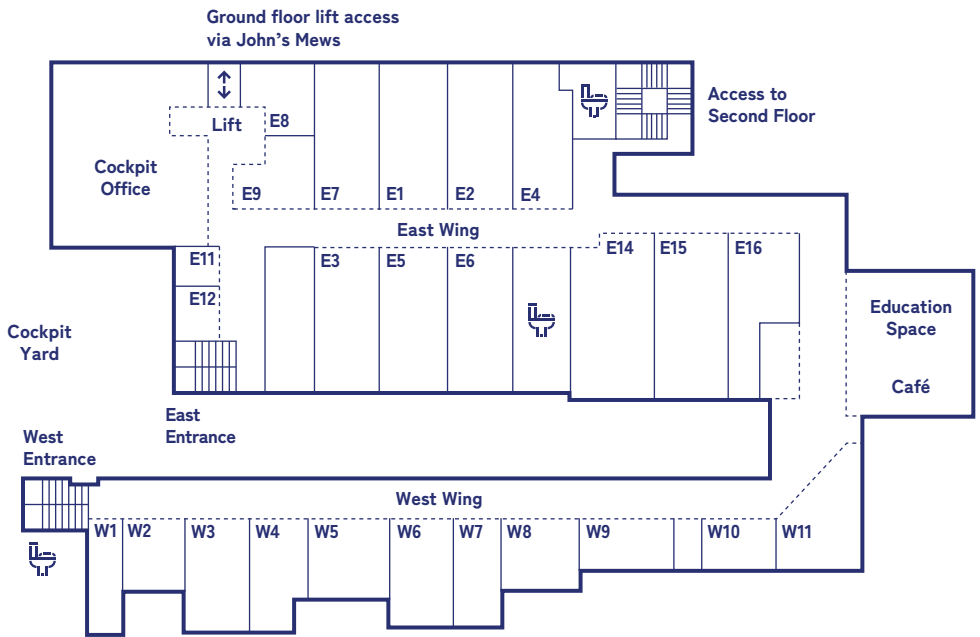

Thank you for visiting and for your support.

Warm regards,
Jonathan Burton
